

# Discover the Full Value of Your Gas Authority

**Gas Authority**

*Register Today!*

## 2026 Member Orientation | July 15-16

### Gas Authority Headquarters in Kennesaw, GA

Join us for an engaging and informative session designed specifically for Member City employees who want a better understanding of their city's relationship with the Gas Authority. Whether you are a new city staff member, long-term city staff member, or an elected official, this session will provide valuable insights into the Gas Authority and the natural gas industry. Attendees will gain a deeper understanding of the services, support, and resources available to Members and Municipal Customers, while also learning about the organization's growing role in the natural gas industry.

Don't miss this opportunity to get an inside look at how the Gas Authority works and how it works for you.

### AGENDA

- ❖ Overview of the Natural Gas Industry
- ❖ History of the Municipal Gas Authority of Georgia
- ❖ Learn About Each Department's Service Delivery role
  - Finance, Accounting, IT
  - Gas Supply, Operations, & Risk Management
  - Member Services
- ❖ Have Detailed Questions Answered
- ❖ Meet Our Staff
- ❖ Tour Headquarters
